The following list is the 2020 Intangibles Tax Rates for the counties of Kansas that impose a tax, as well as any city/township rate. This information was provided by local County Clerks and is current as of July 1, 2019. If your city/township is not listed, you may still be required to file a return to determine the county portion of the intangibles tax. A Form 200 must be filed with your local County Clerk’s office by April 15, 2020. The county clerk will compute your tax liability and the county treasurer will bill you at a later date.
