

RESOLUTION

2008-9

WHEREAS, the Thomas County Sheriff deems it necessary for the operation of his Office to up-grade the Information Technologies, Inc. (ITI) Public Safety software, and

WHEREAS, it has been determined that subscribing for the software is preferred to purchasing, as by subscribing any up-dates will be included with the service, and

WHEREAS, the purchase price is \$44,145.00, the subscription incurs a one-time cost of \$10,290.00, plus \$25.00 shipping and handling, and an annual subscription cost of \$10,743.00, now therefore

BE IT RESOLVED, that the Thomas County Sheriff is authorized to sign a Software Subscription Agreement with ITI, and make an initial allocation of \$21,058, with an annual subscription fee of \$10,743.00 for the Public Safety software.

DATED this 29th day of August 2008, in Colby, Thomas County, Kansas.
