To the Kansas Wireless Enhanced 911 Advisory Board:

**Donita Applebury**  
County Treasurer  
785-450-4520  
Fax: 785-460-4524

On behalf of Thomas County, please accept this letter of support for the State Wireless 911 Grant program.

**Bruce Flipse**  
County Attorney  
785-460-4580  
Fax: 785-460-0927

Thomas County is a very rural area, and it is impossible to collect enough money from 911 fees to update emergency equipment. This grant money would allow Thomas County to acquire new equipment, allowing our area to provide the professional services our citizens and those who pass through Thomas County expect when they call 911.
